

MONTHLY PROGRESS REPORT  
de maximis, inc.

PROJECT NAME: Bluff Road

TIME PERIOD COVERED: 1 September through 30 September 1989

ACTIONS TAKEN TOWARD COMPLIANCE WITH ACO:

- \*Received regulatory comments on the draft RI Report September 8, 1989.
- \*Meetings with USEPA and SCDHEC were conducted September 19 and September 26 to discuss and clarify comments on the draft RI Report. Based on these meetings, initiated preparation of responses to the comments and appropriate revisions to the RI Report.
- \*Continued preliminary work on the FS pending completion of the final RI Report.

PLANS AND PROCEDURES COMPLETED:

- \*See ACTIONS TAKEN (above).

ACTION ITEMS FOR FOLLOWING MONTH:

- \*Complete preparation of a draft hypothetical future exposure scenario for the baseline risk assessment. This will be a separate section in the RI Report. The draft scenario is to be provided for USEPA review and comment by October 25, 1989.
- \*Continue finalization of the RI Report based on USEPA comments. The final RI Report is due to the USEPA not later than November 3, 1989. Every effort will be made to accelerate this schedule.

ANTICIPATED DELAYS/PROBLEMS:

- \*None anticipated.

RESULTS OF SAMPLING/TESTING:

- \*N/A
